## BISMARCK PUBLIC SCHOOL CODE OF CONDUCT

### CO-CURRICULAR ACTIVITIES

The co-curricular programs in the Bismarck Public Schools exist for the development of skills, attitudes, and self-esteem of students, and are intended to enhance the physical, social, emotional, artistic and intellectual growth of our young people. Parents are encouraged to be positive and supportive in their relationships with advisors and coaches. It is the prerogative of the advisor/coach to manage the activity in such a manner that sound human relationships are encouraged and the regulations of the North Dakota High School Activities Association are met. A team effort by parents, school officials, and the participants is needed. Our co-curricular programs are voluntary and are a privilege to participate in rather than a right.

### ELIGIBILITY

**Scholastic:** Students (grades 7-12) shall be doing passing work in at least twenty-five hours per week in order to maintain eligibility. For eligibility purposes, grades will be computed at the following reporting periods: midterms, quarters, and semesters. Students not meeting said standard will be ineligible for a period of 4 calendar weeks. If the standard has been met at the conclusion of 4 calendar weeks, the student will regain eligibility.

**Attendance:** Participants must be in attendance for all academic and required activities designated by the school in order to be eligible to participate in co-curricular activities on any given day.

**Suspension or Expulsion:** Any participant who receives an out-of-school suspension or expulsion shall be ineligible for participation, including practices, during the period of suspension or expulsion. Participants shall be eligible to participate when they are readmitted to school. Suspension from the activity may be extended by the coach/advisor.

**Tobacco, Alcohol or Controlled Substance Violations:** The use or possession of tobacco, alcohol or any controlled substance as defined by the North Dakota Century Code is prohibited. Any student who is in violation of the foregoing shall be declared ineligible from participation in interscholastic contests or activities for a minimum period of six consecutive weeks for the first offense and a period of eighteen consecutive school weeks for any subsequent offense. The period of ineligibility shall begin from the date and time notification is given to the student by the school administration (NDHSAA Constitution and By Laws).

**"Mere Presence"** - Being in attendance at a function, in a vehicle or at a party where the student knows or has reason to know that alcohol or other drugs are being consumed illegally by minors and failing to leave despite having a reasonable opportunity to do so is a violation. When a student recognizes this situation, he/she must leave immediately or is in violation of the Bismarck Public Schools tobacco, alcohol or any controlled substance rule.

**In-season Penalty:** Penalty shall be 6 weeks for 1st offense and 18 weeks for 2nd offense (NDHSAA Section XII). Period of ineligibility will start at the time the student is notified of the violation by the administration.

**Out of Season Penalty (Includes Summer):** Penalty shall be 6 weeks for 1st offense and 18 weeks for 2nd offense (NDHSAA Section XII). Period of ineligibility will start at the time the student is notified of the violation by the administration. In addition, there will be a 2 week period of ineligibility from the first authorized date of competition/performance for the activity in which they will be participating. Participants in activities that do not have a contest/performance in the two week window will be ineligible for their first contest/performance. It should be noted that the 2 week period of ineligibility may run concurrent with the 6 week or 18 week period of ineligibility starting from the first authorized date of competition/performance for the activity they are participating in. *Ex. Student has alcohol violation in October but does not participate in any activity until track. Student serves the 6 or 18 week period of ineligibility starting October 4 which is the time the school is notified and then serves the two week period of ineligibility from the first authorized date of competition for track.* To satisfy the 2 week requirement, the student must remain with the program in which the period of ineligibility was served through the completion of the season.

## INTERVENTION, EDUCATION AND EVALUATION

Before a student is reinstated to co-curricular activities, they must both sit out their period of ineligibility and complete a drug, alcohol, or tobacco education/intervention program (whichever applies to their violation). This program must be pre-approved by the building administration. It is the responsibility of the student to provide certification of completion to the school before being reinstated for activities.

Accumulation of consequence for ineligibility is active for one calendar year. The last day of school for students (as defined by the district calendar) will be the conclusion date of all violations for that academic year and the start for the upcoming academic year. An exception to this would be a student who is deemed ineligible and their activity extends beyond the ending date of school. They would remain ineligible until the conclusion of their activity or their period of ineligibility expires.

## SPECIFIC STANDARDS

A participant in any BPS co-curricular activity will be declared ineligible for engaging in any act that would be grounds for arrest or citation in the court system (excluding minor offenses such as traffic or hunting/fishing violations). Ineligibility can occur without a formal citation, arrest, conviction, or adjudication. All ineligibility appeals must be directed to the Bismarck Public School Assistant Superintendent for Secondary Schools. Exceedingly inappropriate or offensive conduct such as assaulting staff or students, gross insubordination (talking back or refusing to cooperate with authorities), hazing or harassment of others is grounds for ineligibility from co-curricular activities. Such conduct could include group conduct. This is not an all inclusive list of prohibited behaviors. The school reserves the right to discipline a student for violation of the good conduct rule which includes, but is not limited to, the above referenced behaviors.

## BISMARCK PUBLIC SCHOOLS GENERAL CODE OF CONDUCT STANDARDS

**Respect for Others:** Respect should be displayed toward officials, opponents, teammates, others in the community & towards oneself.

**Dress and Grooming:** Students who participate in co-curricular activities are expected to dress appropriately for out-of-town trips. Coaches/Advisors may establish and post appropriate standards with each individual group.

**Travel:** Students are to travel to and from away events with the squad. No other means of transportation is to be arranged unless approval has been granted by the coach or advisor and that release will only be a visual release to the student's parent/guardian.

**Citizenship:** The conduct and behavior of participants is a direct reflection of themselves, their parents, the school, the organization, and the coach/advisor. Participants shall be courteous and show respect for people and property. **All varsity students must participate in a team community project (minimum of two hours).**
